Fellow Georgians,

We are writing to urge all Georgians to join the Senate Republican Caucus in supporting Rick Jackson for Governor.

This past session Georgia Senate Republicans vowed to reignite the American Dream. We passed property and income tax relief measures, cut red tape to support homeownership, broadened school choice, and made strategic investments in roads, bridges, Georgia's agriculture industry, and conservation efforts.

We are confident that Rick shares our focus on these issues that matter to hardworking Georgians. The Republican Party is and will remain the party of cutting taxes, improving education, creating jobs, keeping Georgia safe, and ensuring election integrity in our state.

Georgia has made tremendous progress over more than two decades under Republican leadership in the Governor's office and both chambers of the General Assembly. We must continue building on this legacy, and Rick Jackson will do exactly that. Ceding the governor's office to a liberal Democrat will reverse decades of progress, raise costs and taxes, and make our state less safe.

As Georgia looks to the future, we encourage every voter to keep Georgia moving in the right direction.

Sincerely,

Senator Larry Walker
